PROFESSIONAL EXPERIENCE

August 2019-June 2023
Knoxville, TN

Tennessee Athletics Digital Designer

- Prepared still, motion graphic packages, and environmental graphics (wayfinding, large-scale interiors) for Tennessee sports to brand standards.
- Developed and managed art direction for a minimum of five sports per year.
- Provided continuous graphical support for each assigned sport in-season through collaboration with sports information directors.

October 2021-Present

Creative Director and Collaborator Graphic, Motion, Environmental Design

- Collaborate with brand partners on start-to-finish design solutions for brand partners through art direction, digital package production, motion design, identity design, and brand advancement.

August 2018-August 2019
Orlando, FL

UCF Athletic Association Digital Designer

- Prepared still and motion graphic packages for UCF sports and developed brand standards for each.
- Acted as lead motion designer for all UCF Knights sport and athletic accounts.
- Developed and implemented branding, wordmarks, and environmental signage across athletic village

May 2017-August 2019
Lake Buena Vista, FL

The Walt Disney Company Internal Communications, Disney's Hollywood Studios

- Designed strategic communication collateral for Cast Member and internal purposes.
- Photographed Cast-related events, guest interactions, and Park-based promotions.
- Worked closely with teams that oversaw the opening of Star Wars: Galaxy's Edge and Mickey and Minnie's Runaway Railway.

Disney Photo Imaging

- Worked as a photographer for various ESPN and runDisney events across the Walt Disney World campus in marketing, action, and portrait photography roles.
- Engaged Walt Disney World guests in front-facing roles through the PhotoPass service.
